Description

An Orgo-Life® mini Quantum Energy MedBed Technology® for your home – This unit is ideal for transforming a bed, a meditation corner, or a therapy table into a harmonized energetic field. Compact yet powerful, it offers **stable, gentle, or amplified energy emission** depending on the user's needs or the family dynamic.

In accordance with **Law 31** (energetic wellness regulation in Quebec), the UL-1001 acts as a **central vibrational regulator**, both in light professional settings (salons, small offices) and in homes focused on energetic hygiene and emotional balance.

Smart Operating Modes:

- **Foundation Mode** – Stable 12V emission; ideal for bedrooms or waiting rooms.
- **Amplified Mode** – Uses 3 blue wellness amplifiers (UL-7003) + 1 quantum booster (UL-8050) at 300% for targeted harmonization.
- **Active Frequency Mode** – Connects to the **UL-9060 Blue Rife Frequency Generator** for deep PEMF sessions.
- **Vibrational Care Mode** – Maximum activation of internal crystals for energetic release, emotional support, and chakra balancing.

Each mode is aligned with a clear intention: calming, clarity, energizing, purification, or grounding. Modes can be switched instantly via the **UL-7013 interface cable** included.

Note that; that your Orgo-Life® device is handmade, they all have small mini defects, very small holes, etc... when looked at very closely 5-10 cm (2-4 inches) , but at a good distance of 1.5 feet and more, they look perfect. Due to the manual work and the polyester resin product with the Orgo-Life, it is normal to look like this. Orgo-Life is a unique technology that can only be made by hand. It is above all an artisanal product.
